Student Joining Teams via Code

Salisbury High School

31 March 2020

1. From your LearnLink emails, click on the nine dots in the top left corner. Then select Teams in the Apps menu.

2. In the top right corner in Teams, click on 'Join or create team'

3. To join your class Team, your teacher will either add you individually, which you will receive an email for; or your teacher will give you a class code. Enter in the code under the 'Join a team with a code' function
